

What is Next

- White Papers: In addition to traditional topical white papers, begin considering ideas for potential **research campaign** white papers.
- Begin considering additional expertise and team members you may need for your campaign ideas.
- Reminder: The Decadal survey call for white papers is expected in early 2021
- ASGSR is working with NASA on plans to aid the community with the above tasks, and you should look to those groups for announcements on how you can participate.
 - Virtual Town Halls (mid October/November)
 - Community Surveys (late October/November)
 - Workshops (November)
